

ACME Leave Policy

Document no. HR-POL-003, Rev. 3

Effective date: 2026-07-01

This policy governs employee leave entitlements at ACME Corp. It applies to all full-time and part-time employees employed in a permanent capacity. Contractors and fixed-term employees should refer to their individual employment agreements.

Annual Leave

Full-time employees are entitled to 20 days of annual leave per year, accrued on a pro-rata basis from the commencement date. Annual leave must be taken within 12 months of accrual. Carry-forward of up to 5 days is permitted with manager approval.

Sick Leave

Employees are entitled to 10 days of paid sick leave per year. A medical certificate is required for absences exceeding 3 consecutive days. Unused sick leave does not accrue from year to year.

Parental Leave

Primary carers are entitled to 16 weeks of paid parental leave. Secondary carers are entitled to 2 weeks of paid parental leave. Leave may be taken in a single continuous block or in two separate blocks by agreement with the manager.

This is version 3 of the ACME Leave Policy (Document no. HR-POL-003, Rev. 3, Effective 2026-07-01). Changes from Rev. 2: annual leave increased from 20 to 22 days for employees with 5+ years service; secondary carer parental leave increased from 2 to 4 weeks; mental health leave provision added (5 days per year, no certificate required).

Public Holidays

Employees are entitled to all public holidays observed in their jurisdiction. Where an employee is required to work on a public holiday, a substitute day off will be provided within 30 days.

Bereavement Leave

Employees are entitled to 3 days of paid bereavement leave for the death of an immediate family member, and 1 day for an extended family member. Immediate family is defined as spouse, child, parent, or sibling. Extended family includes grandparents, aunts, uncles, and in-laws.

Mental Health Leave

Employees are entitled to 5 days of mental health leave per year. No medical certificate is required. Mental

health leave is distinct from sick leave and does not affect the sick leave balance.
